

Recommendation letter Fv Löchgau

17 May 2013

Dear Coach,

Firstly I want to introduce myself. My name is Timo Iacobelli, I am one of the teamleaders at the Soccer Club Fv Löchgau. The purpose of my letter is to introduce you one of our players, Tomas Zajfert. He joined our club in 2011 and since then played for under 19 and under 21 team as a goalkeeper.

Tomas is a well-accepted player and very liked by his teammates. His leadership role in games as well as practices gave his teammates the trust to elect him as their team captain. From conversations I had with his coaches I learned about his importance to the team on the court and of the court. He is always willing to help out his teammates. For instance, I saw him staying late after practices to work on one of his teammates penalty kicks. Tomas also helped his coaches to organize the trips to his teams' away games.

Furthermore, Tomas is very committed to our club. He helped us several times to organize summer camps and also coached one of our junior teams. In his free time he enjoyed organizing club events such as our annual Spring tournament.

I wish Tomas all the best for his future as collegiate athlete. I am certain that he will be able to overcome all obstacles and master his way through.

Sincerely,

Timo Iacobelli
